## Helping Homeless of Oxford this winter

This year we would love PANTS, SOCKS and also POTS of noodles, pasta or similar. Due to COVID, clients are unable to access all centres and food and drink needs to be in takeaway containers.

When Christmas shopping please pick up an extra gift for the homeless this year, it's going to be PANTS this Christmas. In partnership with The Gatehouse, more info at [www.zestpodiatry.co.uk](http://www.zestpodiatry.co.uk)

When selecting a gift, please bear in mind we have more male than female clients. Thank you x
